A message from the President

Dear neighbours

Don't let the chilly weather keep you away from all the activities on offer at the centre this month.

Tai Chi, craft, playgroup, Community Café and internet classes for seniors are just some activities you may be interested in.

We have a great hall for hire for your functions or meetings and an office is available for lease at a very reasonable rate.

If you know of a community oriented group that is looking for space then ask them to give us a call.

If you have some spare time and want to contribute to our neighbourhood, you might like to consider volunteering at the centre.

We are in need of someone to work in reception 1 or 2 days a week. We have an energetic group of students from Griffith there from Monday to Friday to keep you company.

Have a great month!

Regards Freya
