

# Loganlea Community

You are invited to  
Loganlea Community Centre  
28 Timms Street, Loganlea

**Monday 29<sup>th</sup> June 2009**  
**9.30 - 11.30 am**

to help design the

**L**oganlea **C**ommunity **G**arden

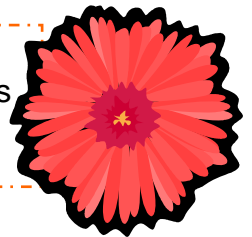

Are you interested in worm farms and compost - how to make it and what to do with it?

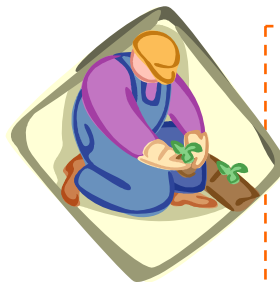

Would you like somewhere to bring your children so that they can dig and learn about good nutrition?

Do you want a peaceful place to sit with a cuppa and talk to your friends while you enjoy gardening?

Would you like somewhere to grow vegetables from your own culture?

Please come along and bring all your good ideas.  
We want it to be a garden for the whole community to enjoy

The Community Garden is part of the *Healthy Living Loganlea Program*

This project is funded by the Australian Government Department of Health and Ageing

**For more information please  
drop into the centre  
or phone:
